

I need help from a Psychology Faculty Advisor. Where will I find a list of Advisors?

Published on Department of Psychology (<https://psychology.uoguelph.ca>)

I need help from a Psychology Faculty Advisor. Where will I find a list of Advisors?

For contact information and office hours of Faculty Advisors, please go to the Psychology <https://www.uoguelph.ca/psychology/undergraduate/academic-advising> page. A Psychology Faculty Advisor may be contacted for any Psychology course related issues. Otherwise, all other questions and requests should go to your [Program Academic Advising Office](#).
